7). It is not the reduction of the rent to the building itself that has to be sanctioned. The building is in the charge of the D.P.W. for which they have to get Rs 5 per cent. What the resolution means is that the Taluk Bd and Muni Council of Bowringpet will pay to the extent of Rs 5 per m. towards the rent in the proportion of 1/3 & 2/3rds. The amount to be paid by the Asst Surgeon from his pocket will be reduced by Rs 5 per m. & he will have to pay only Rs 10 per m. This has been allowed in the case of the Asst Surgeon at Parvagada. May perhaps be sanctioned in this case also.

To

B. NAGAPPA, Esq., Bar-at-Law,
Secretary to the Government of Mysore,
Local and Legislative Departments, BANGALORE.

Sir,

With reference to your letter No. L.8190/L.B. 2-24-75, dated 18-5-25, calling for my opinion on the proposal of the Kolar District Board for reducing the rent of the Sub Assistant Surgeon's quarters at Bowringpet from Rs 9 to Rs 5 per mensem the same being met by the Taluk Board and Municipality, I have the honor to invite a kind reference to my letter No. G.C. 37-1 dated the 10th September 1924, quoted in the preamble to Government Order No. L. 3614-17, Medl. 26-23-7, dated the 17th November 1924, disposing of a similar question raised by the Pavagada Municipal and Taluk Boards and to state that the reasons mentioned therein apply equally to the case of the Sub Assistant Surgeon at Bowringpet.

Whatever the capital cost of these residential buildings may be according to the books of the Public Works Department, the rent now recovered by that Department according to rules (viz., 8 per cent of the capital cost subject to a maximum of 10 per cent of the salary of the occupant) is found to be out of proportion to the rental value of similar buildings in the respective localities. The recovery of this disproportionate rate of rent is felt as a real hardship by these hardworked subordinates, considering that they have to be always in readiness to attend to calls for medical aid. The step taken by the Bowringpet Taluk and Municipal Boards to relieve their

Sub Assistant Surgeon of the hardship is commendable and worthy of being followed by other local bodies, and I heartily support it. I note that the Municipality and the Taluk Board at Bowrin propose to bear the cost in the proportion of 1/3 and 2/3 respectively while the distribution of the burden in the case of Pavagada was equal or half and half. But this is a matter that should be left to the discretion of the Boards according to their respective financial position.

As regards the general question referred to in paragraph 2 of your letter and your letter No. L. 7803, dated the 1st May 1925, I beg to state that the Presidents of all the District Boards and Deputy Commissioners of Districts have been requested to obtain and communicate the views of the Taluk and Municipal Boards in their Districts. Only adinterim replies have been received from a few. As soon as final proposals from all the Districts are received, or at least, when complete proposals relating to any one District are received, they will be duly submitted to Government with my recommendations.

I have the honor to be,

Sir,

Your most obedient servant,

M Mamon
